DETAILED ACTION

Inventorship

In view of the papers filed February 2, 2005, it has been found that this nonprovisional

application, as filed, through error and without deceptive intent, improperly set forth the

inventorship, and accordingly, this application has been corrected in compliance with 37

CFR 1.48(a). The inventorship of this application has been changed by adding Wim Sweldens

and Andrei Khodakovsky as co-inventors with Peter Schroeder.

The application will be forwarded to the Office of Initial Patent Examination (OIPE) for

issuance of a corrected filing receipt, and correction of Office records to reflect the inventorship

as corrected.
